

Electro-hydraulic cable cutter MTF32 max. Ø32, 230V/50Hz

301.10401

Features:

- Suitable for cutting ropes and cables up to max. Ø32mm.
- Thanks to the integrated electric motor, the electric cable clips have been transported.
- Equipped with opening on cutting head for inserting the cable.

Technische informatie

- Cutting capacity: max. 32 mm - R=70kg/mm²
- Voltage: 230V / 50Hz
- Power: 1100W
- Hydraulic power: 18.6 ton/550 bar
- Dimensions (mm): 550x185x256
- Machine weight: 15,2kg / shipping weight 20kg
