

LYRA Chalk luminescent yellow, box of 12 pieces

636.10050

Features:

- Best suited for professional, weatherproof and luminescent markings on dry or wet wood;
- For use with optical scanning systems such as cross-cut saws;
- Oil chalk with extremely high content of fluorescent pigments;
- Very resistance to breakage;
- Hexagonal shape;
- No paper label, use with a chalk holder recommended.
